

Walk 7: Gressenhall - 9 miles, allow 3¾ hours

The walk can be shortened to 3¼, 4½, 6¾ or 7 miles (1½, 2, 2¾ or 3 hours)

Before starting this walk, please read the general leaflet

This walk does not start from the town centre, but a small informal car parking area in Quebec Wood. To get there, walk up Quebec Road or catch the Konect service 21 (stop outside Barclays Bank): alight at the stop for Quebec Hall: cross the road and walk forward to the end of the footway, turning right into the small rough car parking area. In a car, leave Dereham by the B1146 Quebec Road to Fakenham. Pass Quebec Hall on the right, and follow the road as it turns sharply right past a road junction on the left; 100 metres on, enter the car park on the right.

1 Walk along the track (**Bridleway 21**), and where it turns right, continue ahead to the road. Turn right for 50 metres, **!** taking care on this busy road, then turn left on **Footpath 22**, a green lane. At the path junction, continue ahead. *Part way along here, the path crosses into Northhall Green; this last bit of path has not been officially recorded, though is indistinguishable from the rest.* Turn right along **Unclassified Road 35131** (a track), turning left a little before the track swings to the right. Follow this track to cross the **Mid-Norfolk Railway** and continue to the road. Go ahead to the nearby road junction.

2 Turn left along **Hoe Footpath 3** and join the **Wensum Way** (which you now follow to Gressenhall). Cross the railway again, then follow this path in the same direction as it crosses two country lanes and the busy Holt Road (becoming **Hoe Footpaths 4, 5 and 6**), to reach a staggered junction of paths (and temporarily re-enter Dereham). *A shorter walk can be ended here by turning left on **Footpath 20**; turn left again just before it enters woodland, then cross the road back to the car park.* Or continue ahead on **Footpath 19**, turning left at Drift Farm then left again on to Gressenhall Road, rejoining the main walk just before the end. Turn right onto **Footpath 19** which soon crosses into Hoe, becoming **Hoe Footpath 1** and then **Unclassified Road 35132**. This path is part of the new **Jubilee Trail**.

3 Turn left along Fakenham Road. **Gressenhall Farm and Workhouse** is a short way on along the road; it has a café open seasonally. Otherwise, turn left and continue left along Litcham Road, now part of **Nar Valley Way**. Follow the road to the village, initially using the verge on the left side of the road **!**. Turn left in the village, past the green and over a stream to a road junction. *To shorten the walk, turn left here, then left again to pick up the alternative route in 2 above; **!** if using this route, be alert for traffic on these roads.* Turn right and follow the road past St Mary's church and on to another road junction. *A last opportunity to shorten the route can be taken by turning left here and joining the route described above.*

4 Follow the road round to the right, then take the next road on the left. Keep ahead at the next junction and the following one ¼ mile further on. Just after the next road on the right, turn left on the road (which is also **Scarning Footpath 9**) leading up to the sewage works,. Cross the stream here and enter Dereham once more.

5 At the gates of the sewage works, there is a choice. **Footpath 34** runs to the left of the works, following the stream through Rush Meadow to enter the woods across a ditch; the path then winds its way through woodland, initially on a boardwalk, to meet **Footpath 18**. Alternatively, follow the informal path to the right of the gates, as it runs by the stream, climbing to a path junction and turning left to continue mostly alongside a fence and eventually meeting the junction of **Footpaths 34 and 18**. Whichever route has been used, go up the hill on **Footpath 18**, to join the **Wensum Way extension** by turning left on to Sandy Lane at the top. Turn right at the T-junction and follow this road to the junction with Holt Road. To reach the start point, **either** cross the road, turning left along the footway, **or** turn left through the wood on **Footpath 20**, turning right when you emerge, then cross Holt Road.

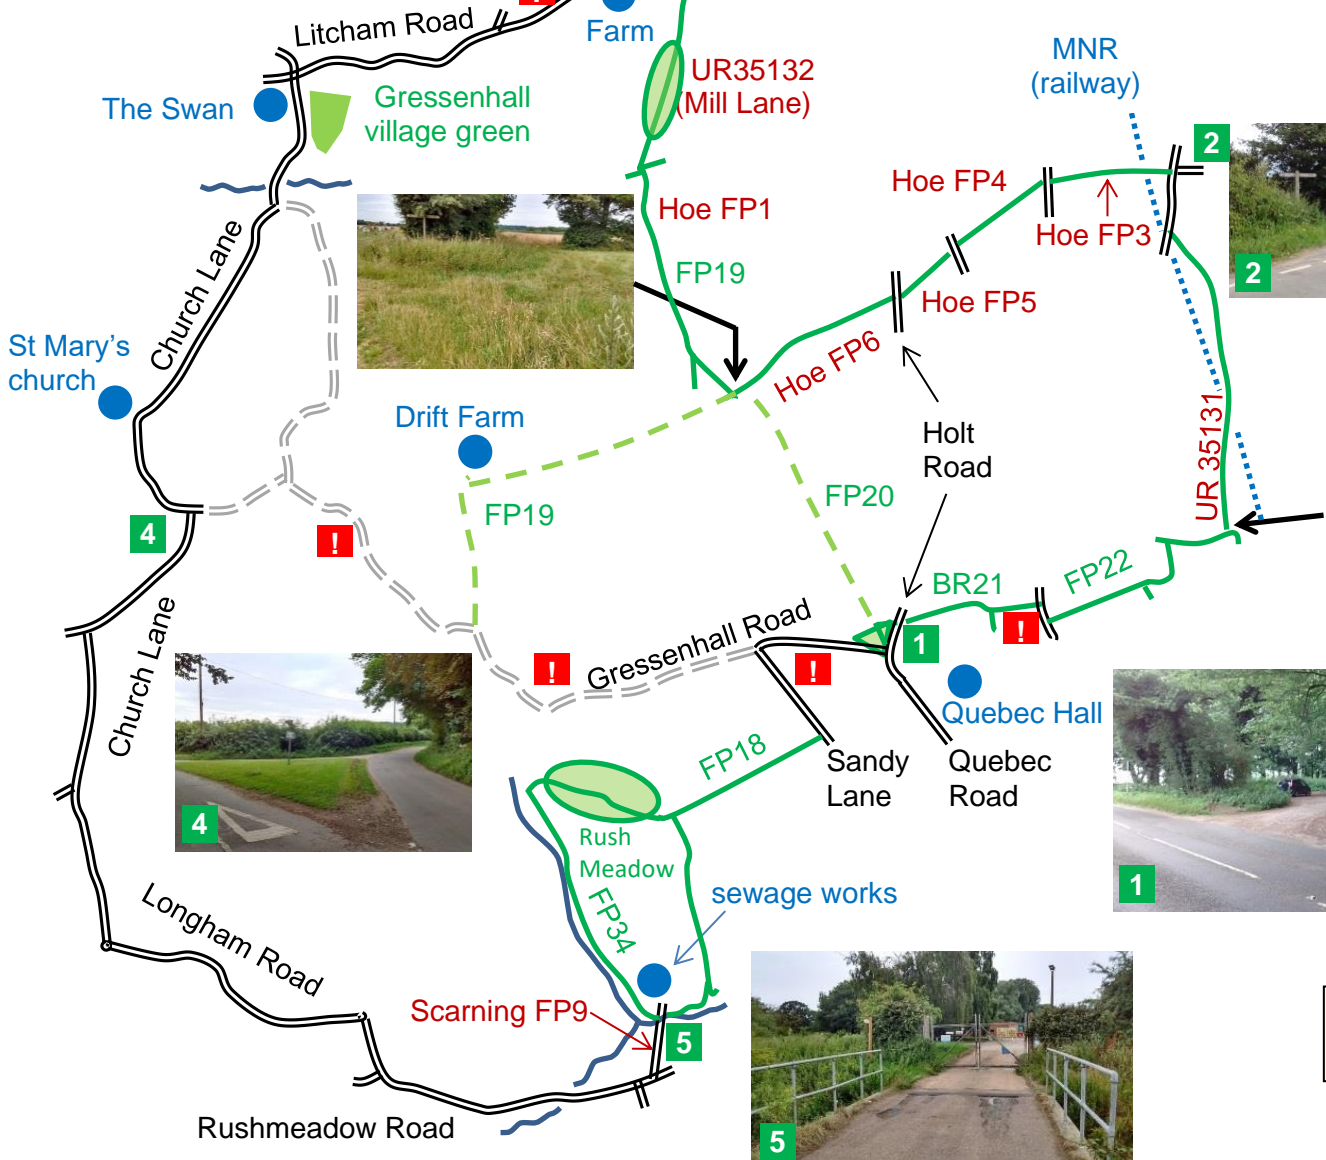

Gressenhall Museum
Fakenham Road

The walk can also be started from Gressenhall Museum, using Konect service 21 (stop outside Barclays Bank), alighting ● at the Museum.
